Easter Party Club Training

Training on teaching a memory verse and other things helpful for holding an Easter Party Club will be held in Villa Ridge, on March 20, from 5:00 to 6:30 pm.

Any and all volunteers are welcome to come and “brush up” your skills. [Email us](#), or text 636-751-0231, to register.

Dear Friends,

More than 90 faithful volunteers are this year serving over 350 children at the East Central Chapter’s 18 *Good News Clubs*®. We praise God for numerical growth this year; but numbers don’t tell the whole story. That is told one by one, child by child, household by household.

Take “Christine,” for example. Her parents are out of the picture: one incarcerated, the other dead. Her guardians don’t attend church regularly but are Christian. Although surprised a “Bible club” was held after school, they didn’t hesitate to enroll her.

Christine started attending in 2022. A club leader that went to the home to pick up her registration slip found out the four kids needed clothing. A local businessman provided funds.

A month or two later, one of Christine’s GNC leaders, by God’s grace, was matched as her reading tutor. Now, twice a week, this little girl was around Christian volunteers *in her school* who love and care for her.

Then, a new note on this year’s enrollment form: Christine’s guardians listed a church home. Christian friends, from a church in a neighboring town, were picking up her and siblings for church when the whole family couldn’t get there.

Christine professed faith in Jesus at Good News Club. This February, Christine told her club leaders she had been baptized the Sunday before. “I want to always, always go to church and come to Good News Club!” she said.

Her journey has just started. It is already challenging, filled with trauma and brokenness. Through ministry at her after-school Good News Club, and connections with local churches, “Christine” and her family are encountering the Father’s love and meeting the Son who promises her the Spirit’s comfort. This is God’s power of the Gospel -- the Good News.

Thank you for your partnership in this Gospel work.
