## God at Work!

Dear Friend,

In our Good News Clubs we have been teaching the children about the life of Josph, and God's omnipresence and sovereignty. They have learned that God keeps His promises, that God is in control, God can help them say no to temptation, God has promised to always be with them, and God gives grace.

The week I was teaching the lesson on Josph's temptation by Potiphar's wife I had asked a review question, "What did Josph do when he was tempted by Potiphar's wife?" A girl responded, "He did not chill with her and ran away" She understood what you may need to do when faced with a temptation. Get away from it! As we talked about what temptation means, times when we may be tempted, we also discussed the steps to take when facing a temptation.

Steps to take:

- Read and memorize God's Word
- Avoid the Temptation
- Say no
- Run away from the temptation

This week I was teaching about how God gives grace in which I defined what grace means. Right after the lesson a 5th grade boy asked, "If you don't believe in Jesus that means you can't go to Heaven but will go to Hell". God is at work revealing the truth of the Gospel to our Good News Club® children. I love teaching the children truth from God's Word, seeing them absorb these truths, growing and how to practically put it into practice. Thank you for helping to keep me on the front lines of reaching the children with the Gospel and discipling them in God's Word.

Several preparations are underway for CEF of MO CYIA™ trainings being held in May and June. I have the privilege of directing and leading these trainings. We are praying for the Lord to provide a great group of teens to be equipped to reach many children this summer through the 5-Day Club® ministry. If you know of a teen who has a heart for children and serving the Lord please let them know about this missions opportunity by sending them to cefmissoui.org where the CYIA™ brochure and application can be found. I would like to be able to offer \$1,000.00 in scholarships to help the teens toward the cost of their training fee which is \$400.00 per student. Pray for the Lord to provide the \$1,000.00 needed for the scholarships.
